WE NEED VOLUNTEERS!

#1: VOLUNTEER CO-ORDINATOR EXTRAORDINAIRE

The first volunteer we need is someone to co-ordinate all the volunteers! We need someone who can efficiently organise people and resources. This is a voluntary position of variable hours, estimated at 5 hours per week, with a review of the role after 12 months.

The Volunteer Co-ordinator will work closely with the club's General Committee, as well as with the General Manager and office team. Attributes required include:

Cheerful can-do attitude

People management skills

Resource management skills

Time management skills

Excellent communication skills (including proficient use of email and Microsoft Office)

To apply, please send a cover letter and short CV to our General Manager Shaun Tiedemann at manager@dssinc.org.au

#2: RACE DAY DUDES

Race days are busy days. We need race officials, mark layers and shark cat cruisers. We need those with experience, and those who are keen to learn. To join this register, please send your name, email address and mobile number to our Vice Commodore Steve Chau at steve@verdant.com.au

#3: MARKETING STARS

Next we are seeking energetic young marketeers to create a new Marketing Sub-Committee. In particular, we are looking for those who have recently completed, or are currently undertaking, marketing/graphic design/business degrees. The attributes we are seeking include:

Graphic design skills (Indesign, Photoshop, Illustrator & Acrobat)

Analytical skills (to crunch numbers)

Can-do attitude (to make things happen)

Cheerful personality (to get along with the team)

These are voluntary positions of variable hours, estimated at 2-4 hours per week, with roles reviewed after 12 months. To apply, please send a cover letter and short CV to our Chair of Marketing Rose Flynn at roseflynn@hotmail.com

#4: PARTY PEOPLE

As you know, we host loads of events, functions and parties at the club. We would like to create a register of people keen to join in the camaraderie by helping with activities such as selling Friday night raffle tickets, cooking BBQs, pouring drinks, greeting guests, decorating the clubhouse, hanging paintings for artwall exhibitions, sourcing Xmas raffle prizes, organising interclub dinners and assisting on corporate sail days. To join this register, please send your name, email address and mobile number to our Rear Commodore Craig Squires at craigsquires77@hotmail.com

#5: BOATYARD BUDDIES

We like to think we have one of the best boatyards in Tasmania. And very soon, we will undisputedly have the best marina. We would like to create a register of Boatyard Buddies who are willing to lend a hand with tasks such as removing barnacles, cleaning and maintenance. To join this crew, please send your name, email address and mobile number to our Chair of Boatyard Services Paul Bottomley at PaulBottomley@professionalplumbing.com.au

COMMODORE RON BUGG

The hectic, bordering on frenetic, organisation and conduct of sailing events over the Christmas and New Year period are complete and by all accounts, and personal experience, they were extremely successful. The prelude to the National Pies Launceston to Hobart Race went smoothly and I am thankful to our Sailing Manager Mike Denney and to the office staff for their enormous effort in the pre-race organisation. The delivery trips from the south to the north went smoothly (for most boats! The bottom appeared to rise for one or two in and around Dunalley), and all arrived safely in the Tamar. Many thanks to the Tamar Yacht Club who welcomed and looked after the competitors whilst at Beauty Point.

An innovation this year was the introduction of the L2H Crew Party at the docks. It proved to be highly successful and is certainly on the agenda for next year. The King of the Derwent Race, despite very changeable in wind direction and strength, was also successful and thanks to the competitors for giving the public another great spectacle, led by the DSS yacht 'Alive' which easily took Line Honours.

While there are many people to thank for their efforts, we would not be able to successfully conduct

the events without the support of our volunteers, in many different activities: race management, setting up the floating dock (many thanks to TASSAL for the loan of the docks), race support crews, radio room operators, mooring race competitors, working in the Information Centre at the wharf, setting up the clubooms for the official award ceremonies, to name a few. It was a huge task successfully completed. Of course, there were some minor hiccups that need to be addressed next year and we welcome your feedback about your experiences over the period.

Another very successful event was the State and National SB20 Championships in early March. Congratulations to Glenn, Rob and Jake on taking out first place. Well done also to the DSS's own Realemedia who took out the PHS division. Thanks again must go to our staff and volunteers for all of their efforts.

The DSS, and all other clubs for that matter, do find attracting volunteers a daunting task and it is one of the big challenges facing all committees. We welcome all offers of help!

On the subject of volunteers, one only has to look at the Squadron gardens and lawns to see the glorious results of volunteer input. Thanks so much Colleen and Peter for your dedication and 'green thumbs'. It is a pleasure to walk past the Squadron and take in the greenery and flower display.

I think, too, that the kitchen may occasionally take advantage of the vege patch. The flower display within the club, also organised by volunteers, uses Pete's and Colleen's patch along with sackings of private gardens.

The light that shines bright on the horizon is the commencement of the marina extension which is now very near. An inordinate amount of time has been spent on this project, led by Roy Barkas and General Manager Shaun Tiedemann and a small subcommittee. Financial modelling has been extensive and as of this moment, we have had a very pleasing response to the pre-selling of berths. Construction contracts have been signed and we are on track for a Q3 opening.

The Squadron's social calendar is 'chockers' and the restaurant has many private functions on the books. Over the last two years there has been a marked turnaround in the operation of the kitchen and it very obvious both in patronage and club finances. It makes a very important contribution to both club morale and the 'bottom line'. Likewise the slipway over summer has been well used and it is good to see our members increasingly acknowledging and treating it as an industrial work site, which in essence, it is. It is the main area of club operations where accident liability is a real possibility and if you use the facilities I urge you to look closely at your boat insurance to make sure that you are

fully covered. The Squadron needs to have a record of that insurance.

Coming up over Easter we have the Australian Hansa Title, which is being organised by Sailability, another important aspect of Squadron life. And again, volunteers are always welcomed at Sailability – Sunday mornings on the lawn outside the clubrooms. We also look forward to the Autumn Two-Handed series. Always popular in this age where crews are in short supply!

Finally, in June, elections will be held for the Squadron's General Committee and for Flag Officers. Each year sees changes in the committee and as a member you are eligible to place your name forward for one of the positions. If you are at all interested in the direction of the Squadron and want to be an important part of its future, please nominate. Safe sailing!

DINING @ THE DSS

Don't forget that members prices are now available on food and drinks so make sure you have your membership card with you when ordering. Lunch and dinner is available on Thursdays and Fridays, as well as National pies throughout the week.

FUNCTIONS @ THE DSS

We have lots of delicious function and catering menu options. For details or to book your function, email Tracey on functions@dssinc.org.au

GREEN FINGERS NEEDED!

Our fabulous gardeners, Peter and Colleen, are heading off on a well-earned break from May-Dec 2015. We are looking for new green finger gardeners to keep our landscaped lawns in tip-top condition. To offer your services, please send your name, email address and mobile number to our General Manager Shaun Tiedemann at manager@dssinc.org.au

VICE COMMODORE SAILING STEVE CHAU

What a tremendous summer season of sailing we have just had, capped off this month by the DSS hosting of the State & National SB20 Championships. The buzz in the club and on the water was first class. The conditions of the regatta were testing and certainly a challenge, and the success of the event was underpinned by the significant and tireless contributions from our fantastic staff and the small but efficient team of volunteers.

Congratulations to all involved for delivering an exceptional regatta that has been lauded by a significant number of professional yachting identities.

GLENN BOURKE & CREW (RED) CROWNED SB20 2015 AUSTRALIAN CHAMPIONS

By Jane Austin

Glenn Bourke and his crew of Rob Jeffreys and Australian Sailing Squad member Jake Lilley have capped off an incredible week of sailing in Tasmania to be crowned the SB20 2015 Australian Champions. Following on from their impressive win in the Tasmanian State titles last

week, Bourke was all class, winning four of the eventual 10 race series.

New SB20 boat owner Michael Cooper and his crew Matt Johnston and David Chapman (Export Roo) gave Bourke grief in the first two days of the regatta but Bourke came in to his own on the final day, leaving the fleet in no doubt as to his crew's sailing prowess and intuitive ability to make the most of the variable winds and shifting conditions on the River Derwent.

The regatta was raced in mostly 25 – 20 knot north westerlies although the final day gave the PRO Nick Hutton a few headaches as he shifted the course to accommodate the unpredictable winds. This limited the number of races in the series from a maximum of 12 to 10.

Race Nine began in very light conditions. Matt Pilkington (Balios) was a welcome return to the fleet following rudder damage earlier in the regatta and he gave the front runners a run for their money leading the fleet around the top mark, but it was Tasmanian SB20 Class President Scott Brain (Ronald Young Builders) who crossed the line first, after a change in course for the second lap. Leader Glenn Bourke (Red) was second, followed by Rob Gough (Ciao Baby) and James Burman (Masterclass).

Race Ten was postponed for 90 minutes with a start attempted at 1pm in light south easterly air but was postponed directly after the start when a competing north

westerly made life difficult for race officials and competitors alike. After a general recall and a black flag, the race was finally underway in eight to ten knots.

Michael Cooper (Export Roo) took advantage of the lighter conditions getting away to lead the fleet around the top mark. In the tightest and most colourful racing of the regatta, the breeze softened after the first lap making conditions tricky for the fleet. Bourke (Red) managed to claw back the lead to take his fourth win of the series from Cooper with Rob Gough (Ciao Baby) in third place. The PRO scheduled Race 11 but after two goes at a start, the race was eventually cancelled.

Bourke and his crew have had a very successful Tasmanian campaign.

"This win feels fantastic. It's been hard fought – we've enjoyed every minute of it – it's been a great result for us. The River [Derwent] feels familiar now having sailed here a few times. I really like the conditions you have down here – the boat feels pressured up all the time," said Bourke.

And Bourke is impressed with the growth in the local fleet.

"Tasmania has the predominant fleet in Australia and one of the best fleets in the world. I am sure that the class will continue to go from strength to strength.

Bourke was full of praise for his crew of Rob Jeffreys and Australian Sailing Squad member Jake Lilley.

"Jake is a very strong young man, very thoughtful, very analytical – but together we have had our fun times on the water, and really enjoyed this regatta. I expect that Jake, a very fine sailor, will be representing Australia at an Olympics very soon," said Bourke.

Tasmanian SB20 class President Scott Brain is pleased with the outcome of the regatta for SB20 sailing in Tasmania.

"We had trying conditions but the race officials and staff and everyone running the regatta did a sensational job. The fleet was of an exceptionally high standard and it was very well done by Glenn Bourke to win the regatta" said Brain.

"We have a great fleet down here and consistent racing which is why our fleet is improving and to get a recommendation from Glenn Bourke as to how good this fleet is really great," said Brain.

Bourke (Red) won the series on 14 points, Michael Cooper (Export Roo) was in second place, while Nick Roger (Karabos) took third. Diana Reale/Craig Squires (Realemedia) took out the PHS division.

Congratulations to Glenn Bourke, Rob Jeffreys and Jake Lilley of 'Red'

The fleet of SB20s

The DSS's own Realemedia took out the PHS division.

REAR COMMODORE HOUSE & SOCIAL CRAIG SQUIRES

Spring and summer have seen lots of activity around the clubhouse and in social events on and off the water.

Thursday Night post-twilight race dining options were very well received with \$10 menus of pulled pork tacos, fish and chips and other tasty offerings available for competitors, members, family and friends.

Friday nights at the club continue to be a staple for an after-work drink, dinner and catch up with fellow members. And don't forget the Members' Badge Draw between 6-7pm - you have to be present for your chance to take home the prize!

The latest restaurant menu is providing an excellent range of dining options to members and proving very popular with very reasonably priced and high quality options, from salads to fish, duck and steak on offer! Members prices are available on food and drinks so make sure you have your membership card with you when ordering.

Keep an eye out in the restaurant over the coming weeks – many members have commented about our chairs and tables needing upgrading, and we are about to introduce some fantastic new

restaurant furniture. As part of the revamp, we will also be updating the Trophy Room, making it truly an area of the club that celebrates and highlights our rich history.

Thanks to our sponsors and those who purchased tickets in our Xmas raffle. We are currently sourcing new medical support equipment for the club using the proceeds of raffle. Congratulations to the lucky winners.

Our artwall in the Derwent Hunter room currently features "From Mountains to Sea" with works by the Heritage Art Group led by Joan Humble. The opening was a very busy night at the club with Lord Mayor Sue Hickey officially opening the exhibition.

Make sure you get down to the club to see these fantastic works – many of which have already sold to lucky members, and to view a painting that has been kindly donated to the club as a prize for our next major raffle.

This exhibition runs until 27th March, with the next starting on 10th April - mark the date in your diaries for the opening!

Reflecting on the last couple of months, many DSS members have enjoyed each others' company at the very well attended National Pies Launceston to Hobart New Year's Eve Crew Party, Lexus King of the Derwent After Party and Combined Clubs Progressive Dinner. These events featured great live music, food and fun!

Lord Mayor, Sue Hickey, officially opened our current exhibition, from Mountains to Sea, by the Heritage Art Group.

We look forward to running these again next year, and for those that missed out, make sure you book in early for DSS events to secure your ticket!

As always, a big thank you goes out to our huge list of sponsors for contributing to events and activities including the Members' Badge Draw, Harcourts Day on the Lawn with the Kravats, Lexus King of the Derwent After Party, National Pies Launceston to Hobart New Year's Eve Crew Party, and the DSS Xmas raffle.

I would also like to make special mention to our many volunteers who enjoy the camaraderie and pleasure of giving back something to their club, and over the past

months have helped with everything from selling Friday night raffle tickets, cooking BBQs and pouring drinks and greeting guests to the club, decorating the club house, organising and hanging paintings for artwall exhibitions, organising Xmas raffles, arranging interclub dinners and helping on corporate sail days. Your support is gratefully acknowledged and helps makes the DSS the vibrant club that we all love.

I hope to see many of you at the events and functions coming up over autumn, and in the dining room trying out the new menu, as well as out on the water.

Cheers from the Rear,

Craig

Good times at the National Pies L2H New Year's Eve Crew Party

ART WALL

Our next exhibition commences on Friday 10th April.

Titled, **Art @ the Bay**, it will showcase the varied and expansive beauty of the Tasmanian landscape through the eyes of a talented group of eight local painters. The works are in oil and acrylic and comprise mostly landscapes and seascapes with some still life and portraits.

Please join us for the launch on the evening of Friday 10th April. The exhibition will run for 8 weeks until Friday 5th June.

Saturday 23rd May: DSS Yachties Ball [black tie]

MARINA DEVELOPMENT ROY BARKAS

Thank you to my small but dedicated Marina Development Sub-Committee. We have done it! Plans have been finalised, finance approved and construction contracts signed!

Wednesday 25th March was a historic day at the club - after 12 years in the making, construction contracts were signed! Global marine construction firm, Bellingham Marine, will lead the overall extension, using local Tasmanian firm, Tas Marine Construction, as sub-contractors. Tas Marine Construction also have a separate contract, to construct the required seawall. Local firms, Professional Plumbing and Innovative Electrical, will carry out all plumbing and electrical work. The marina has been designed by local marine engineering consultants, Burbury Consulting.

Construction will commence next week, with the first new berths occupiable by the middle of the

year, and completion due by the end of the year, ready for the summer sailing season.

Tasmania has the highest boat ownership per capita in Australia, with marina occupancy in south-eastern Tasmania at capacity for the past 5 years. Once complete, the our marina will have berths for 260 vessels, more than doubling our existing capacity, and making it the largest and most technically advanced marina in Tasmania.

WELL DONE TO ALL INVOLVED!

**Back L-R: Shaun Tiedemann (DSS General Manager), Paul Bottomley (Professional Plumbing), Roy Barkas (Chair of DSS Marina Sub-Committee)
Front L-R: Marc Carney (Bellingham Marine), Ron Bugg (Commodore), Tom Wilcox (Tas Marine Construction)**

Congratulations to all involved in the marina project!

WHALE WATCHERS NEEDED!

During the marina construction period (April-Aug), we are required to have whale watchers at all times when construction is actually taking place. So we are going to need lots of whale watchers! If you are willing to join this register, please send your name, email address and mobile number to our General Manager Shaun Tiedemann at manager@dssinc.org.au

BOATING SERVICES

PAUL BOTTOMLEY

I must start by saying how our slipyard and hardstand areas are looking fantastic!

The acquisition of the forklift has certainly been a huge success in keeping the areas tidy, along with being functional in the speedy and safe launching of sports boats.

The upgrade of the back fence on Sandy Bay Rd has lifted the look of our squadron and also assisted in keeping out 'wandering' thieves.

On the issue of foot traffic within the boatyard, this is a work area and should be treated as such. There are trip hazards, moving machinery, pressure water cleaning, electrical hazards and overhead works just to name a few. This area is not a place for unsupervised children, animals or social drinking. The last thing we want is an injury in this area, especially someone that had no need to be there.

Please also use common sense on the marina walkways - no cycling or un-restrained dogs. This is a shared area and there have been several near misses reported recently.

Finally all slip bookings are now done through the office. You will be asked

PAUL BOTTOMLEY

to supply current insurance details for all people who will be working on your boat (contractors, crew & mates). Those with access cards will be given access via the back gate for the duration of slipping time.

Thanks for your support.

"The Best Squadron in Australia"

Cheers Bott

**PLEASE HELP TO KEEP OUR
CLUB A SAFE PLACE FOR
WORK AND PLAY**

**NO DOGS, UNSUPERVISED
CHILDREN OR DRINKING OF
ALCOHOL IN THE BOATYARD**

**NO UNRESTRAINED DOGS OR
CYCLING ON THE MARINA**

SAILABILITY

Sailability Tasmania's level of activity has grown significantly over the last couple of years. There are now branches in Launceston and Wynyard as well as Hobart. In Hobart the Two Payne 24 yachts berthed at Tasports, Kings Pier Marina are now regularly sailing every day of the week taking groups from various disability support organisations on two-hour sailing excursions around the harbour.

It has reached a point where it is becoming difficult to arrange for a volunteer skipper and crewmember to cover each request for a booking. That is why we are approaching all local yacht clubs with a plea to make members aware of what is proving to be a very valuable, worthwhile and satisfying experience for anyone who becomes involved.

We are looking for experienced skippers and crewmembers who are able to contribute some time to assist on any, or a particular, day of the week. Each trip involves approximately three hours of your time and parking permits are available for cars at the marina.

Sailability will provide new volunteers with a short introduction to the yachts and procedures and provide a clear outline of responsibilities.

WIN!

Have you noticed our growing suite of DSS banners around the clubhouse?

Designed by General Committee member, Rose Flynn, who heads up our Marketing Sub-Committee, and printed by Uniprint, the banners are key branding tools during media opportunities.

Our marina banner recently took out 1st place in the banner category at the 2014 Dieman Design & Digital Print Awards.

SAILTRAIN COURSES

Outboard Motor Operations

Learn how your outboard motor works, how to minimise costs and risks by doing your own routine maintenance, servicing and fault findings.

Wed 10th & Wed 17th June
1830 – 2130

Cost: \$80

MAST Power Boat Licence

Designed for those intending to obtain a powerboat licence and involves both practical and theory training followed by an exam. Held every second Sunday.

Sun 12th April, Sun 10th May,
Sun 14th June

Cost: \$110 (Full) \$80 (Provisional)

Provisional Power Boat Licence

We are taking expressions of interest for a provisional boat licence course to be held during the April school Holidays. Please contact the office.

Inshore and Coastal Navigation

Intermediate navigation for inshore and coastal waters. Topics include chart work, publications, compass and GPSs. This is run over 5 evenings and one full day

Starting 29th April

Cost: \$340

RYA Marine Diesel

Learn how your engine works and how to minimize the costs and risks by doing your own routine maintenance, finding faults and minor repairs.

Wed 6th May, Wed 13th May &
Wed 20th May 1830 – 2100

Cost: \$120

RYA Start Yachting

We run these courses on demand, please contact the office.

RYA Competent Crew

We run these courses on demand, please contact the office.

Marine Radio (MROCP)

Operators of VHF and HF marine radios are required by law to hold a MROCP (Marine Operators Certificate of Proficiency). This covers what you need to know to competently operate a radio, including regulations, correct operating procedures, urgency, distress and safety messages and basic maintenance. This course is run over 3 nights.

Course dates: Monday 11 May, Monday 18 May & Monday 25 May.

Cost: \$225

Safety and Sea Survival Course

We are taking expressions of interest for a winter course. Please contact the office.

\$75

for annual subscription to the String of Pearls, available to all DSS members.

Cruise the sublime waters of the D'Entrecasteaux Channel, Norfolk Bay, Frederick Henry Bay, Bruny Island, Storm Bay and Port Arthur, with the confidence of knowing your boat is secure on a DSS mooring.

The Derwent Sailing Squadron proudly presents

string of pearls

A set of moorings down the Derwent River and through the sublime cruising waters of the D'Entrecasteaux Channel, Norfolk Bay, Frederick Henry Bay, Bruny Island, Storm Bay and Port Arthur. Each mooring is perfectly positioned to enjoy the treasures of this extraordinary region; the beaches, walking tracks, restaurants, cafes, cheeseries, smokehouses, orchards, cellar doors and so much more. Now available to book through the DSS website.

Tasmania's first and only boutique hostel, Montacute Boutique Bunkhouse, is owned and run by DSS General Committee member, Rose Flynn and her partner Antony Langdon. In just under 12 months, Montacute has become the #1 rated hostel in Australia on global travel websites Booking.com and Hostelworld.com, as well as being Hobart's #1 'Specialty Lodging' on TripAdvisor. Montacute has private double rooms and shared bunkrooms, starting from just \$35 per person.
